

Cornerstone Message Notes

"Making God's Kingdom the Priority He Intends It to Be"

A 3 Part Follow-Up to "A Commitment to the Kingdom of God Revolution" / part 1
Pastor Dan Page - 1/14/18

THEME

(The Sermon In a Sentence or Two)

Unless & until we make God's Kingdom a priority in our lives, it will never be one.

APPLICATION

(What to Do with What You Hear)

Seek God's leading for you concerning you seeking His kingdom above all else.

FOCUS

(The Core of the Content to Get Us Started)

"The kingdom of God" ... do you know how many times that phrase appears in the New Testament? 74 times. **74 times!**

Oh, wait, that's exactly what was written here last week. **Exactly!**

This morning begins a 3 part series born from sensing there was more to learn & apply from last week's focus on the call to join the revolution the Kingdom of God is. Business as usual without a passionate pursuit of God's Kingdom may accomplish something, but it most certainly will not be what God intends.

May God use this message to mess us up in & shake us out of any complacency as it pertains to His unshakeable, unchangeable & unstoppable Kingdom.

Prioritizing God's Kingdom

1. RECOGNIZE, CELEBRATE & ELEVATE it for WHAT it IS.

Whatever you value defines & gives direction to your life & its impact.

Matthew 13:44-45

2. TRULY & ACTUALLY MAKE it YOUR PRIORITY.

You're the one who decides whether or not you're going to do this.

Matthew 6:33

3. KEEP MAKING KINGDOM ADVANCING CHOICES.

You get really good at whatever you do repeatedly.

Luke 16:16

4. DO LIFE with THOSE who are DOING THIS.

The Kingdom of God ultimately expands in the context of community.

Luke 17:20-21

Making It Real Questions

- * Have you ever really done this?
- * Have you ever really done this?
- * Are you really doing this?
- * Are you really doing this?

Action Step

Write out & pray a prayer to God in response to these four points.
