

CCC Message Notes

"Go & Make Disciples"

Are We Warehousing Complacent Converts or Making Dynamic Disciples?

Pastor Dan Page - 8/26/18

THEME

Jesus said, "Go and make disciples."

APPLICATION

We need to be sure we are making disciple makers.

FOCUS

As we come to the end of this summer & as we get ready to say goodbye again to Chrissy Greenwell for good (not because she'll never be back but because her last name will no longer be Greenwell when we see her again J), it only seems fitting to do so with a brief message that I pray will set the stage for a fall like no other this church has ever known, seen or experienced.

It's really simple ... we need to do what Jesus told us to do right before He ascended into heaven. Not a million other things we think might be really good or cool or great or productive or whatever, but the one thing He told us to do.

Let's not settle for anything less than being disciples who make disciples.

Discipleship Is ...

1. GOD'S "PLAN A." There is no "PLAN B."

If we miss this, everything else is off. / Matthew 28:19

2. the KEY to REACHING the WORLD.

Disciples make disciples who make disciples who make disciples. / 2 Tim 2:2

3. SUPPOSED to be EVERY BELIEVER'S STORY.

We have settled for so much for so long that has kept us from truly doing this. We need to repent & trust God for the grace to get it right. / Matthew 28:18-20

Making It Real Questions

- 1] Does your life validate the veracity of this verdict?
- 2] Do you see God's wisdom in the power of exponential growth?
- 3] Will you commit or recommit to being a disciple maker?

Action Step

Memorize Matthew 28:18-20.
